**Subject: Supply plan of breeder seed of Potato for Rabi 2010-11**

Sir,

Kindly find enclosed supply plan of breeder seed of potato for Rabi 2010-11 (breeder seed produced during Rabi 2009-2010). The allocation of breeder seed of potato has been made on the basis of estimated production reported by CPRI-Shimla. In order to obtain the allotted breeder seed, the following guidelines may please be followed.

- (i) The lifting of allotted quantity be ensured between 15<sup>th</sup> February to 31<sup>st</sup> March 2010 by the allottees from the various stations of CPRI.
- (ii) If any organization is not able to lift the allotted stocks due to budgetary problem, or any other reason, should intimate the Institute directly about their inability to lift the allotted quantity before 20<sup>th</sup> February, 2010.
- (iii) All allottees states/agencies should deposit 50% cost of seed allotted to them with concerned Incharge of CPRI station by 15<sup>th</sup> February, 2010 to reserve allotted quantity of breeder seed.
- (iv) No stock of any organization will be preserved in cold storage. However, organizations which want to get their stock preserved, should write well in advance now itself but not later than 15.02.2010, so that arrangements for extra cold storage could be made, but, it will be at the cost and risk of the party.
- (v) The sale price of breeder seed of potato has been fixed as Rs.2000/Qtls.(Rupees two thousand only) inclusive of packing material, treatment and handling charges.
- (vi) The potato breeder seed lifted may please be multiplied invariably as foundation stage-I and foundation stage-II and certified stage-I and Stage-II mainly on Agricultural Universities and State Deptt .of Horticulture / Agriculture (dealing vegetable crop) Farms/Farmers field.

: 2 :

- (vii) State Government may make efforts to lift the entire allotted breeder seed and further distribute the seed among seed multiplication farms/agencies. The breeder seed should not be allotted among more than 5 parties to lift the allotted breeder seed as it creates lot of problems in supplying the seed and for issuing the proforma invoice bills by the stations of CPRI.
- (viii) Surplus breeder seed available with various Breeding Institute is enclosed so as to enable you to lift and utilise for further multiplication into foundation and certified seed.
